

## CITY OF SOMERVILLE

### PROCESS FOR REQUESTING AN ACCESSIBLE PEDESTRIAN SIGNAL (APS)

If you know of a location where an accessible pedestrian signal would be of singular importance in providing access, in that one is acutely needed and/or would be extremely beneficial to individuals with disabilities, particularly individuals with visual impairments, please send the request and/or complaint to the ADA Coordinator:

#### **Betsy M. Allen**

Director and ADA Coordinator  
Executive Office on Disability & Compliance and  
The Somerville Commission for Persons with Disabilities  
167 Holland Street, Room 207  
Somerville, MA 02144
